

Application for a vaccine certificate with reserve number

1. Fill in your personal data below. Your phone number will be used if Region Gotland needs to get in touch with you.
2. Send the completed form to
eHälsa/MIT Vaccinationsbevis
Region Gotland
Visby Lasarett
621 84 Visby
3. Region Gotland will fill out a digital form and send it to E-hälsomyndigheten (The Swedish eHealth Agency).
4. Once a vaccination certificate has been created, it is sent by E-hälsomyndigheten as a registered letter within 10-15 days. You will receive a notification from PostNord when you can pick it up. You must present a valid ID document when you collect your vaccination certificate. (LMA-kort is not valid ID for this.)

NB! This application only applies to those who have received their latest dose of COVID vaccine on Gotland. More information about vaccination certificates with a reserve number can be found here: www.ehalsomyndigheten.se/tjanster/covid-certificate/has-your-vaccination-been-registered-under-a-reserve-number/

Personal data

First name	
Surname	
Address

Signature
Name in block letters

Handling of personal data for vaccination certificates

Your personal data may need to be stored with Region Gotland on legal grounds. Measures are documented in the patient record according to the Patient Data Act. To find out more about how Region Gotland processes personal data, see www.gotland.se/personuppgifter where there are also instructions on how you can access your personal data.
